Dear Mr. Purshottam

Subject: Letter of Appreciation

We are very happy to inform you that the data provided by you from various sectors of industry is really good.

We really appreciate your efforts of getting the address as well as the becoming the front face of our Company and giving brief introduction on our behalf to the party.

We have got benefited with your data as we could reach the right person at the first hit itself, which has saved our time, and lessened our efforts.

The services offered by you are really helpful for the small-scale industries like ours.

Thanking you,

Yours truly,

For FerroChem NDT Systems Pvt. Ltd.
